

I MISS YOU (AT CHRISTMAS)

Words by John Hunter. Music by Stash Kirkbride.

Verse 1: I miss you, especially at Christmas.
I still see you leaving with me.
Teardrops from your eyes,
Burning through the sun.

I know you, will never forgive me
Too proud to come home again.
Your anger and your pain, burning deep inside.

CHORUS: I miss you, I miss you, yes I do.

Verse 2: I miss you, especially at Christmas.
I looked at your photograph, standing by my bed.
Holding back the tears
I wish you now and forever, all of the love I own
Longing now to hear footsteps in the snow.

CHORUS: I miss you, I miss you, yes I do.
I miss you, especially at Christmas.
Yes, I do.
