

# ***I SING FOR YOU*** *(in loving memory of Stash's late mother)*

Verse: I can see you everywhere I go  
In the golden sun and even in the snow  
To everyone who has ever seen you smile  
They all know that you have made it all worthwhile  
You held a candle for all those that you loved  
And you have given everything

**CHORUS: Eee, Eee, Eee, Eee, Eee, Eee, Eee, Eee  
Eee, Eee, Eee, Eee, Eee, Eee, Edd, Eee**

Verse 2: I look around and your love is everywhere  
In all the flowers and even in the air  
For all the years you have taught me right from wrong  
I sing to you now all my love within this song  
And if by chance tomorrow never comes  
Rest you now, I'll be by your side

**CHORUS: Eee, Eee, Eee, Eee, Eee, Eee, Eee, Eee  
I sing for you  
Eee, Eee, Eee, Eee, Eee, Eee, Eee, Eee  
Eee, Eee, Eee, Eee  
I sing for you  
Eee**

Middle 8: There'll come a time and a place I know  
When the simplicity of life will surely be  
And until then, my love  
Stay with me

**CHORUS: Eee, Eee, Eee, Eee, Eee, Eee, Eee, Eee  
I sing for you  
Eee, Eee, Eee, Eee, Eee, Eee, Eee, Eee  
Eee, Eee, Eee, Eee  
I sing for you  
Eee**
