

# ***BEAUTIFUL***

*Words & Music by Stash Kirkbride © 2014*

**Verse 1:** Beautiful, so beautiful, that's what you are to me.  
I hope and pray, every day, you'll keep me safe and warm.  
For you are beautiful, so very beautiful, to me.

Here I stand, hand in hand, with the one I love.  
The better it gets, the better it gets. I truly believe this to be so  
For you are beautiful, entirely beautiful, to me.

**CHORUS:** And is it any wonder, I see you whenever I close my eyes.  
For in the very daylight of morning, it's your voice I'm calling.  
I love you so, love you so, love you so.

## *INSTRUMENTAL*

**Vers 2:** Hold this moment, now forever, for you along can see me as I am.  
It's so easy, and so simple, to see behind your eyes the world I love.  
That's why you're beautiful, so very beautiful, to me.

Yes, you are beautiful, so truly beautiful, to me.  
Yes, you are beautiful, so truly beautiful, to me.
