

I BELIEVE IN YOU

Words & music by Stash Kirkbride

VR1: He who came to save us,
He who have lived and died.
Now is crowned with glory,
At his father's side.
Never more to suffer, never more to die.
Strange, but in a funny way
He's a lucky guy

CHORUS: If I die before I wake
Please dear Lord, my soul to take
'Cause I believe in you
If I die before I wake
Please dear Lord, my soul to take
'Cause don't you know it's true
I believe in you

VS2: You are coming, we are waiting
We shall meet you on the way
We shall see you, we shall know you
By the things you do and say
All our hearts could never say
The happiness we feel today
Now the world is one again
Let us sing our song again

CHORUS If I die before I wake
Please dear Lord, my soul to take
'Cause I believe in you
If I die before I wake
Please dear Lord, my soul to take
'Cause don't you know it's true
I believe in you

Middle 8: Your life on earth has given birth to all of us
We'd like to thank you
For giving us the chance to make it on our own
I myself will try and do the best I can
To make every second count while I'm alive
Oh Lord, oh Lord
I believe in you

VS3: You are coming, we are waiting
With a hope that cannot fail
Asking not the day or hour
But the vision is so sure
Certainly we shall be strong
For we believe there's more

CHORUS: If I die before I wake
Please dear Lord, my soul to take
'Cause I believe in you
If I die before I wake
Please dear Lord, my soul to take
'Cause don't you know it's true
I believe in you

Ride Out: If I die before I wake (before I wake)
Please dear Lord, take my soul
If I die before I wake (before I wake)
Spare a thought for the people who are listening today
I believe in you.
If I die before I wake (before I wake)
Please dear Lord, take my soul to take
If I die before I wake (before I wake)
Please Lord, remember my family,
I believe in you

If I die before I wake (before I wake)
please, remember me.
If I die before I wake, (before I wake)
Please, hear my prayer, I believe in you.
