

I MISS YOU

Words by Stash Kirkbride & John Hunter. Music by Stash Kirkbride.

Verse1: I miss you, 'specially at Christmas
I still see you leaving me,
Teardrops from your eyes,
Burning through the sun,

I know you'll never forgive me
Too proud to ever to come home again,
Your anger and your pain burning deep inside.

CHORUS:

I miss you, I miss you, yes I do

INSTRUMENTAL

Verse 2: I miss you, 'specially at Christmas
I looked at your photograph,
Standing by my bed
Holding back the tears

I miss you, now and forever
All of the love I own
Longing now to hear
Footsteps in the snow

CHORUS: I miss you, 'specially at Christmas,
Yes I do
