

# ***WAITING IN THE WINGS***

*Words & Music by Stash Kirkbride*

**Verse 1:** I can tell by looking in your eyes, your life's not been easy.  
No, it's not been an easy road, by any means.  
What you need is a friend, who won't pretend to you.  
Someone who understands you, and takes your point of view.  
You know I do.

**CHORUS:** Don't you know that I, I could be good to you.  
Treat you like a woman, and make your world seem new.  
But if our moment's yet to come, just turn and look for me.  
And I will be, waiting in the wings.

**VR2:** Please don't laugh at me, don't turn your back on me.  
I've done a lot of crazy things, I guess that's true.  
But don't you think that I could be good to you.  
Don't you think that I could be true to you.  
And don't you think that I could come up with what it takes.

**CHORUS:** And don't you know, don't you know that I, I could be good to you.  
Treat you like a woman, and make your world seem new.  
But if our moment's yet to come, just turn and look for me.  
And I will be, waiting in the wings.

## *INSTRUMENTAL*

**CHORUS:** And don't you know that I will be waiting in the wings.  
I will be waiting in the wings.  
If you need somebody darling, I will be waiting in the wings.  
Don't you know I'll be waiting, darling I'll be waiting,  
I will be, waiting in the wings.
