

WELCOME HOME

Words & music by Stash Kirkbride

Verse 1: Here you are, better now than you have ever been,
More beautiful than I have ever seen.
You have broken the spell,
You're a brand new day.
There are a thousand words I truly want to say.
Maybe I should shut my mouth and pray, until I hear you say.

CHORUS: Welcome home.
Come into my life and play it safe.
Let me love you as I can and I'll be there,
Right by your side for all time.
This I promise you.

VR2: I can't tell you why.
But I know I will love you till I die.
And I will laugh at all the years go by,
As long as you're here in my heart.

I want to get to know you,
I want to get to know all the things you've never done.
Want to make love with you and have a son.
I will await the day.

CHORUS: Welcome home.
Open up the doors and let life in.
Come to me my darling and begin
To live and breathe this world that we call ours.
It's a brand new day.

INSTRUMENTAL

CHORUS: Welcome home. Come into my life and play it safe.
Let me love you as I can and I'll be there,
Oh, right by your side for all time.
This I promise you.

Welcome home.
Open up the doors and let life in.
Come to me my darling
And begin, to live and breathe this world that we call ours.
It's a brand new day. Welcome home.
