

# ***YOU COMPLETE ME***

*Words & Music by Stash Kirkbride*

**Verse 1:** I believe in miracles,  
The miracle is you,  
Opened up the book of life,  
Made it all seem new.  
God on high, I thank you so,  
For showing me the way,  
For every step I take with you,  
Is like a brand new day.

**CHORUS:** But not yet, not yet a while,  
Just a little bit longer,  
Given time, given place,  
I will hold your beautiful face,  
So dearly, so truly,  
For you are the one.

**VR2:** Now I know it all exists,  
I see it to be true  
You were right  
And I was wrong,  
Heaven is within you,  
And as I fly out here on my own,  
To an unknown world,  
You may see me flying by,  
Like an eagle,  
Calling for his mate.

**CHORUS:** But not yet, not yet a while,  
Just a little bit longer,  
Given time, given place,  
I will hold your beautiful face,  
So dearly, so truly,  
For you are the one.

**Completion:** Love of my life,  
I've been waiting for you,  
I've been waiting for you,  
To complete me,  
You complete me.  
Yeah, you know you do.  
You complete me.
